

Dung Beetle Order Form

Four dung beetle packages are available. A colony ranges between 200 – 500 beetles, depending on the species size. Beetles are sold on a weight basis. See Terms and Conditions.

1. Whole Farm Package – small farm: \$6,000 + GST

- Staggered payments prior to delivery, based on beetle availability
- 4 species (providing coverage across most of the year) *
- 4 colonies of up to 500 beetles each (fewer for larger species)
- Additional colonies / species at \$1,500 + GST each

2. Whole Farm Package – average to large farm: \$10,000 + GST

- As above, plus
- 8 colonies (in total) of up to 500 beetles each
- Additional colonies / species at \$1,250 + GST each

3. Farm Starter Package: \$2,000 + GST

- 1 species
- 1 colony of up to 500 beetles (fewer for larger species)

4. Small Block Package: \$1,250 + GST

- 1 species
- 1 colony of up to 250 beetles (fewer for larger species).
- Highly recommend organising neighbouring land owners and collectively buying one of the farm packages.

All orders also place you on the highest priority list for new species as they become available.
